

Lesson 11: 漢字の宿題 (2)

1. Write numbers with arrows to show the order of stroke for each kanji character. The numbers you need to write are indicated as ordinal numbers under the kanji character. First look at the example below and work on the following kanji characters.

Ex) 正 (ただしい、しょう、せい)  
1st, 3rd

正

病 (びょう)  
3rd, 8th

病

院 (いん)  
2nd

院

明 (あかるい、めい)  
6th

明

勉 (べん)  
6th, 8th

勉

強 (きょう)  
2nd, 9th

強

2. Write Kanji in the blank. If necessary, add Hiragana also.
